

## Quaker Testimony Regarding Renaming Geographic Landmarks Currently Having Names Offensive to Indigenous Peoples

On Sunday, October 9, 2022, at its regular Meeting for Worship for Business, the Fort Collins Friends Meeting approved the following Minute in Support of Renaming Mount Evans to Mount Blue Sky.

“Fort Collins Friends Meeting approves making a statement of support as requested by the Mestaa’ehche Coalition.”

The minute was in reference to the following information included in the Meeting for Business materials which concerned a request from the Mestaa’ehche Coalition:

"If your tribal entity, business, non-profit, group or church would like to make a statement of support for Mount Blue Sky as well, please complete this form. By doing so, you are agreeing for your organization name to be listed on our website ([mountbluesky.info/supporters](https://mountbluesky.info/supporters)), in a Mount Blue Sky Support Book and be contacted by the Mestaa’ehche Coalition regarding your organization's interest in signing official letters of support that will be submitted to the county, state, and federal naming boards."
